We feel that every patient in our practice deserves a smile they can be proud of. We are excited to offer our patients the Whitening for Life program.

The program includes the following:

- ❖ Upper and lower bleach trays
- ❖ 2 tubes of whitening gel to get the process started.
- ❖ A complimentary touch up kit of bleaching gel at each 6 month recall visit.

All we ask in return is that :

- **You keep your six month preventive visit current.** Your long term dental health is as important to us as it is to you. It is a proven fact that regular maintenance greatly helps to ensure tissue and oral health, and reduces emergency situations.
- **You provide at least 48 hours notice** if you need to reschedule an appointment.

I understand the Whitening for Life requirements, and would like to enroll.
